

MOGO

DRINKS MENU

Our drinks combine rhythm, research and vision. Each cocktail is created like a song: an original composition by our bar team, balancing experimentation and tradition, global ingredients and local spirit.

DESERT BLOOM

The Lost Explorer Tequila, lime, crème de banane, wasabi

A blossoming in the desert: tequila is wind and sun, banana is sudden sweetness, and wasabi is the jolt that awakens everything. A pure contrast, like a freedom that tastes of fire and tropical fruit.

GOLDEN WHISPER

Bombay Sapphire gin, lime juice, chartreuse yellow, saffron suryp, white tea Galvanina Bio

A golden whisper born of calm. White tea is airy and transparent, saffron warms with its ancient light. Elegant as a ray of sunshine filtered through sound waves.

VELVET BULLET

Bulleit Bourbon, Select, Amaro Nobile Kobiashvili, hazelnut foam

A soft, heart-stopping blow. Bourbon and bitters dig deep, hazelnut sweetening the edges. It's liquid soul: bitter, warm, irresistibly velvety.

FICUS FREQUENCY

Patrón Tequila, sakè Junmai Daiginjo, cordial lime, falernum, soda ficus leaf

A dialogue between the Orient and Mexico, where the fig sings green and sensual notes. Tequila and sake blend like two instruments in a slow, vibrant duet, echoing with sweet. mystery.

DARK FUNK

Bacardi Carta Blanca Heritage, licorice, zenzero, lemon, sugar, chinotto galvanina, bergamot spray

A dark and spicy jam session. Licorice root and ginger intertwine on a chinotto line that vibrates like a funk groove: deep, elegant, and unexpectedly electric.

HI-FI MONK

Grey Goose infused with matcha tea, green Chartreuse, lime, sugar syrup

A mystical balance between rigour and groove. Vodka and Chartreuse sound like a refined mantra, while matcha adds meditative depth. It's a cocktail you listen to with your palate.
